

MY EDUCATION SYSTEM Italy

ANNA ROSA PAOLA , SILVIA VERGNASCO
(I.I.S. E. BONA Biella)

SARA DI BERARDINO, CAROLINA MENNA (I.I.S. "MATTEI" Vasto, CH)

Students are motivated by.....

- 1) having a general knowledge and get good marks.
- 2) to achieve or to keep a social status.
- 3) to get a good job and a good salary.
- 4) to be involved in cultural and sports events different from the normal subjects: cinema, theatre, sport competitions, school trips, traveling abroad.
- 5) The use of new technologies.

Teacher thinks that students should learn.....

- 1) knowledge
- 2) skills
- 3) competence
- 4) social skills

Students relate with teachers by.....

- 1) face to face.
- 2) information technology devices (fb, web, whatsapp).
- 3) through their parents.

Students, above all, need.....

- 1) to be reassured by the teachers about their future and to be guided in their choices.
- 2) to be listened.

My system emphasizes...

- 1) Contents, skills and results
